[product range]

In our diverse product range, we offer a wide array of elegant furnishings designed to enhance every space our customers inhabit. From tables and dining benches to chairs, armchairs, and a chic bar program, our collection brings together exceptional design, durability, and comfort.

Our collection of dining sets symbolizes more than just furniture; it is a tribute to responsible living, a commitment to preserving forests, and a dedication to crafting

elegance without compromising the environment's integrity. And so, the story of sustainable dining furniture continues, with each piece carrying forward the legacy of preserving nature's beauty while offering a warm, inviting space for families to come together.

Standard is more than a brand of furniture; it is a story of quality, tradition and sustainability that is passed down through the generations. Thank you for being part of our story.

chairs [*elegance and comfort*]

Chairs from our collection combine elegant design with premium comfort. Each chair is carefully shaped and crafted from solid beech or oak wood, providing exceptional strength and durability. The ergonomically designed seat and high-quality upholstery fabrics ensure comfort during long periods of sitting.

In addition to the high-quality craftsmanship, our dining chairs offer the possibility of

customization according to your preferences. You can choose the type of fabric, the desired seat and base color, creating a versatile piece of furniture that will seamlessly fit into different spaces, from modern living rooms to elegant dining areas or workspaces.

Whether you're looking for dining chairs or home office chairs, our collection offers various styles, shapes, and materials.

standard dining chair **noci** & **thomas** table in beech

tables [*inspired* *by nature*]

standard dining table **ottawa** in oak

Our table collection is a fusion of aesthetics and functionality. Each piece is meticulously crafted to satisfy even the most sophisticated tastes. Available in various styles, from classic to modern, and in different sizes to adapt to any space.

Made from local, 100% FSC certified solid beech or oak wood, these tables effortlessly combine straight and curved forms. With our exceptional craftsmanship and meticulous attention to detail, the simple elegance of each table is elevated and the natural beauty of wood emphasized.

The tabletops are designed to be either fixed or equipped with a high-quality extension mechanism, providing adaptability to dining space according to customer needs. With various dimensions available, every family member can find their place at the table during shared meals or gatherings.

Dimensions, wood type, and finishing touches can be customized to meet the specific requirements of every interior, providing the customer with the opportunity to create a sophisticated and contemporary dining space.

standard dining chair **norman** & **calgary** table in oak

standard dining armchair **marseille** in oak, metal & black painted beech

armchairs [*luxury and **s**style*]

Our armchairs bring a touch of luxury to any space. Designed with a focus on quality and elegance, they offer exceptional comfort and stand out with sophisticated details. Whether you seek a classic armchair or a modern lounging chair, our range provides diverse options.

Crafted from solid beech or oak wood using the most advanced manufacturing techniques, they promise you years of enjoyment in top-notch comfort. We use high-quality fabrics and fillings with different characteristics to achieve the opti-

mal balance between luxury and comfort. Every part of the upholstered surface is carefully chosen and arranged, following ergonomic principles to provide an exquisite seating experience.

The bases of the armchairs are made of solid wood or metal in various shapes, emphasizing the refinement of the design. The option to choose between swivel or fixed base variants allows for customization of the armchair according to customer's individual needs and lifestyle.
